*JET EVOLUTION*

In search of the best international business jet for short term lease, look no further than this Gulfstream G-550.

Available immediately with highly experienced captain, co-captain and flight attendant seasoned in both domestic and international operations. This ultra-long-range 6500 nm business jet is powered by two Rolls-Royce engines and cruises at Mach 0.80 with non-stop flights between such city pairs as Shanghai to Los Angeles, New York to Dubai and London to Tokyo or Los Angeles. The cabin combines productivity with exceptional comfort featuring three distinct living areas, three temperature zones, and seating for 14 passengers. Maintaining contact with the home office is easy thanks to wireless internet and satellite communications. With 14 signature Gulfstream oval windows, the cabin is infused with natural light. The cabin's low-altitude pressurization requires less exertion from the body and ensures passengers arrive at their destinations refreshed and alert.
