

A white Global Express 9019 private jet is shown from a side profile, parked on a wet tarmac. The aircraft features a distinctive T-tail and a large cabin window. In the background, a large, semi-transparent wireframe globe graphic is centered, with the text 'JET EVOLUTION' overlaid on it in a stylized, italicized font.

JET EVOLUTION

Global Express 9019

Exclusively Offered by Jet Evolution For Sale or Trade

Fly Farther, In The Spacious Global Express

The Global Express set a new world standard for performance, range, speed, safety and comfort. Designed from the inside out, the Global Express cabin is one the most flexible and elegantly appointed of any business aircraft. 27 large windows shower the cabin with natural light, and the 100 percent fresh-air system and a low cabin altitude to help reduce fatigue on long flights.

Exceptional Comfort & Service

From the moment you step onboard the Global Express, you'll notice the expansive cabin, individual cabin controls at every seat, high-definition entertainment system and satellite phone

Available immediately for sale.
